Subject: WOUS stakeholder update

Nancy,

Please find attached docs involving stakeholder reaction to the rollout:

1. Stakeholder statements (as of last night – an updated document is forthcoming)
2. Stakeholder call Q&A
3. Three follow-up emails from the stakeholder calls

We will keep your team apprised of any additional questions that come through our Public Engagement email box.

I know you're already aware of this, but it bears repeating, your team did an amazing job with this rollout!

Congrats,

Scott W. Fraser
